Kendal Gardens classic Belmont Colonial located in a lovely neighborhood of meandering streets. Well-maintained throughout with many updates including newer roof, new windows, a modern eat-in kitchen with stainless steel appliances and granite counters, 200amp circuit breakers and a fantastic finished basement with fireplace and separate home office. Simple period millwork and original oak hardwood floors throughout add charm and warmth. walk-up attic for possible expansion, sun-porch and large sunny fenced-in back yard.
