100 Vernon Street, Unit 6

Just a 5-minute walk to Magoun Square and future Maxwell's Green T-station, this end-unit condominium offers 3 bedrooms, 2.5 baths, high-ceilings & 3 exposures for great light. The open living/dining/kitchen incorporates a gas fireplace, simple crown moldings, wainscotting, hardwood floors, built-in surround sound & simple Italian lighting. The kitchen boasts professional-grade stainless steel Viking appliances, granite countertops and a center island with seating. The master bedroom suite has double closets and a spa-like bathroom with double sinks and an oversized walk-in shower. A 3rd bedroom makes for a great home or work space. Sunny bluestone patio and garden with lovely southwest exposure. The oversized basement features 12' foot ceilings (great for a home gym) and top of the line hydro-air heating & cooling.
